# NOISY DIFFERENCES

Spot six differences between these two pictures.

1

2

# NOiSY MAZE

Pick your path and see where it will take you...

# NOiSY SHADOWS

Can you match the things with their shadows?  
Draw a line with a crayon from the picture to its shadow.

**can you find  
these items?**

# COLOUR ME IN!

Chinese lanterns are made from paper. They light up the sky during the spring Lantern Festival.

At festival time in China, children carry paper lanterns made in the shape of animals and decorated with beautiful images.

Chinese lanterns are mostly bright red and are believed to bring good luck to everybody as they float in the sky. Can you make the lanterns light up?

## CHINESE LANTERNS

# ANSWERS

## NOISY DIFFERENCES

1

2
